## Report on International Youth Day

All NSS Units of Maynaguri College in Collaboration with West Bengal State Aids Prevention & Control Society; Dept. of Health & Family Welfare, Govt. of West Bengal  
(12th August, 2020)

### Introduction

The International Youth Day on 12th August 2020 was marked by a significant online event organized to celebrate the potential and the contributions of the younger generation. The West Bengal State AIDS Prevention & Control Society, the Department of Health & Family Welfare, Government of West Bengal, and all NSS Units of Maynaguri College under the University of North Bengal (NBU) jointly hosted an online International Quiz. This report outlines the details, objectives, and outcomes of the event held from 30th July to 12th August 2020.

### Event Organization and Participation

The online quiz was structured meticulously to ensure broad participation and a smooth conduct. The event's rules and regulations were made available on the official website of Maynaguri College on 30th July 2020, providing ample time for participants to prepare. The quiz saw an impressive participation of 5,595 individuals, including teachers, students, NSS volunteers, research scholars, and other interested parties not directly involved in the teaching profession. This diverse group highlighted the inclusive nature of the event, aiming to reach a wide demographic.

### Objectives and Outcomes

The primary goal of the online quiz was to foster awareness and build confidence among the youth. It was a platform that aimed to:

- **Increase Awareness:** By integrating questions related to various global and social issues, including health, education, and civic duties, the quiz sought to enlighten participants on important topics.
- **Build Confidence:** Encouraging youth to engage in such intellectual activities helps in boosting their confidence and preparing them for future challenges.
- **Promote Engagement:** The event aimed to actively involve the younger generation in meaningful activities, promoting their role in community development.

Each participant who achieved a score of 50% or more was awarded an E-Certificate, serving as both a token of appreciation and a symbol of their knowledge and effort.

### Participation Details

A detailed record of the participation was maintained, and a comprehensive list can be accessed through a Google Sheet link provided by the organizers. This transparency ensured that the event's integrity was upheld and allowed for a thorough evaluation of the participants.
