

Report on Educational Tour Organized By Department of Philosophy, Maynaguri College

On 17th July 2018 Philosophy Department of Maynaguri College organized a one day educational tour. In that tour many students of the 1st, 2nd and 3rd year honours had participated. Ramsai, one of the popular tourist spot and it is famous for ecotourism in Jalpaiguri district. It was far away 20 Km from the institution. The main motive behind the tour was to develop compassion, realization of natural beauty, enhance the relationship between man and nature and improvement of co-relationship between senior and junior students. During this educational tour students had got opportunity to be close with their teachers and shared their views and experience with them.

One of the vital parts of that educational tour was the quiz contest. After lunch, H.O.D, Dr. Purnima Das divided students equally into four groups, group -A, group -B, group- C and group -D respectively. The quiz consisted of two rounds, direct question round and buzzer round with negative marking. The questions for the quiz had been selected from their syllabus. After the two rounds of quiz, Group -D emerged as the winning team of the event. That quiz was conducted smoothly under the supervision of Smt. Suparna Dutta, Mr. Sushil Mandal and Mr. Biplab Biswas with the help of Dr. Purnima Das. The winning group was felicitated with token gifts. After finishing the contest students requested their teachers to discuss those quiz questions elaborately and the teachers responded on that matter gladly. The event became successful due to the active participation of teachers and students. Teachers and students returned to their respective places with joy, happiness and carrying fellow feeling.
