ACTION-TAKEN REPORT - 2018-19

The Faculty Feedback Analysis Report of our college provides a comprehensive evaluation of college infrastructure, Opportunities and scope of development based on the feedback given by teachers of the college. This report aims to identify strengths, areas for improvement, and overall satisfaction with teaching methods, course content, and faculty engagement. By systematically analyzing feedback collected through structured surveys, the report offers actionable insights to enhance teaching quality and academic support. The findings contribute to informed decision-making, fostering a culture of continuous improvement and academic excellence. This report underscores our commitment to delivering a high-quality educational experience and supporting our faculty in their professional development. The Feedback Analysis Report, compiled from faculty input, serves as a vital tool in understanding the academic and administrative landscape of our college. As an affiliating institution and governed by the State Government there are some limitations that the college has to depend on Government grant and other grants for enhancement of infrastructural facility and other. So, within limitations the authority has taken steps to upgrade the facilities depending upon the financial position of the fund and procedure. Shortages in classes, library facilities and communication resources were also addressed. To maintain the health and hygiene, proper steps have been taken for regular cleaning of college canteen. CBCS related books have been purchased. Besides, IQAC have taken some initiatives to talk to some NGOs to arrange sanitary napkin vending machines for the female students.

ACTION-TAKEN REPORT - 2020-21

The Faculty Feedback Analysis Report of our college provides a comprehensive evaluation of college infrastructure, opportunities and scope of development based on the feedback given by teachers of the college. The feedback on syllabus and its transactions have been collected from the faculty members. It was analyzed and observed that most of the faculty members answered in a positive way. As an affiliating institution, the institution has no autonomy to prepare the syllabus. It is prepared by the parent University. The institution follows the guideline of the Parent University. In this context, the institution has been conducting Add-on courses and for these causes the faculty members got an opportunity to prepare the syllabus of Add on courses. The faculty members are encouraged to engage themselves as member of Board of studies of the Parent University. Moreover, all faculty members get opportunities to involve in Evaluation zone as examiner, scrutinizer and Head examiner under Parent University. As an affiliating institution and governed by the State Government there are some limitations that the college has to depend on Government grant and other grants for enhancement of infrastructural facility and other. So, within limitations the authority has taken steps to upgrade the facilities depending upon the financial position of the fund and procedure. Shortages in class rooms, library facilities and communication resources are also trying to address through proper channel. Requirement of Permanent teachers for specific departments and Demand for purchasing of Practical instruments for lab-based subjects has sent to College authority. Purchase of required books have been initiated. Sent request to the Departments for starting Digital Wall magazine/Online Blog. On the basis of the need of more workshop for conducting online classes has organized by the departments.
